 - Event types
 - Users & Groups
- Automation & Service Integration
 - Automation
 - Service Integration
- Demo / User Guide

Several thin, dark blue curved lines originate from the left edge and sweep upwards and to the right, creating a sense of movement and design.

Introduction

Problem Statement

- ▶ What study program fits best to me taking into account:
 - ▶ My personality
 - ▶ My education path
 - ▶ My professional experience
 - ▶ My career goals

Motivation

- ▶ Lia is working as a project manager of the digitalisation project of the sub-process program registration off the FHNW School of Business.
- ▶ Perfect opportunity
- ▶ All project members are at least faced to times in their live with this BIG question and would like to have a decision support tool.

Vision

- Bringing the right prospective student with the best fitting study program together to foster the potential and satisfaction for students, study program class environment and therefore as a consequence the society in economics and cultural aspects.
